We Sell Rexall Remedies

Consider The Busy Hen

Someone has asked, "Does the hen quit scratching when food is scarce?" She does not! "She scratches all the harder." And while we admit that business is not as good as in the rosy days of post-war prosperity, still there is business to be had by "scratching all the harder." And so this store keeps about as busy as usual by offering values that are unusual. Consider the offerings here mentioned—read the list. There you'll find the reasons for the crowds you always find at Wright's.

Wright's
